

# Raleigh Church of Christ

## Disaster Action Plan

### Zone Calling Tree

---

To help facilitate contacting the membership of the Raleigh Church of Christ regarding a disaster/emergency the following calling tree has been developed. For security purposes telephone numbers have not been included. Please refer to either the congregational directory or the hard copies of the Disaster Action Plan for contact telephone numbers.

The ZONE CAPTAINS for each zone will be alerted by either John Storms or Mac Safley to the need for communication to the congregation. The ZONE CAPTAINS will in turn call the BRANCH CONTACTS. The BRANCH CONTACTS will pass along information to the persons on their particular branch and gather information regarding individual members to give to the ZONE CAPTAINS. The ZONE CAPTAINS will pass along the information to John Storms or Mac Safley.

**NOTE:** In the case that the ZONE CAPTAIN is out of town or unavailable the Alternate Zone Captain will initiate a given zone's calling tree.
